Dear Dr. Macos:

Y
Attached please find a quarterly report on the progress of
the Vocational Rehabilitation Project of "Brigada 2506".

The report has been compiled with figures as posted in our
records as of July 14, 1965. As of that date, there were
22 individuals still in our program. Three of the, however,
are not presently enrolled in classes due to illness. They
are (Eolando A. Pozo) (Rigoberto Moroz) and (Jesus Molina).
All other are attending classes and in the report I have
submitted the approximate finishing date of their course as
given to me by the schools. Copy of the school letters are
also attached.

Sincerely yours,
